Purpose was for students to have their voice heard through the SU discussing matters with the University, and JA gave some examples of how it could be used. 07/10.1	Delay in AU tracksuits resulting in it being a month late. BH passed on the information from John Moores regarding wrong tracksuits being ordered and then waiting for Prostar to get the correct ones in stock before having them printed. Should now be in within a week or 2. BH said she would e-mail everyone who ordered one when they are finally ready to be collected from the SU.	
07/10.2	Kit cupboard sign out sheet not working. Everyone must now sign everything they take and when they return it. Women's hockey first aid kit has gone missing. All agreed on new method of sign in/out sheet.
